<p><u>Explanation of the Data</u> This data reflects the unduplicated headcount by county in the HCTC service area. The percentage calculated is each county's percent of the overall KCTCS Census Date HCTC Headcount. It was captured at the KCTCS Census Date by KCTCS and is the CPE Official Enrollment Data for each college. It was extracted from the CPE Official Enrollment Data Catalog via a KCTCS Cognos Impromptu report.</p>
